OUTLINE

OBJECTIVE

- ▶ **Objective of this brief** is to inform clients, team members and partners of **history and services** of Project Blue World Inc. Consulting Agency.
- ▶ **Providing access to solutions** our goal is to provide a portal, a place to plug in for people and companies to find experts, training, tools and templates.
- ▶ Using **simple templateable methods**, project and quality management system QMS, guarantees 4:1 Rate of Return.

HISTORY

► **Project Blue World Inc. Consulting Agency** is in Winnipeg, Manitoba, Canada

► **Founded in 2019**, by Lori & Todd Payne, management and maintenance solutions experts after **multi-industry global needs analysis** indicated requirement for access to expertise.

► **Designed as a central place to plug in** for people wanting performance. **Customers** find solutions. Suppliers have a place to advertise and find opportunity.

► **Online and onsite find;** experts, coaches, trainers, templates, tools, books and bootcamps.

► Leadership Team:
President, Lori Payne

Chief Executive Officer,
Gaetan Fiola

► New in 2022 **'the Grid' Solutions Database** provides multi-industry support requirements.

► **Project Blue World is expanded to 5 continents** with Ambassadors (Agents) in over 10 countries, **by 2025 we can be in all 249.**

► By 2023 we plan to expand to **Project Blue World Foundation** to increase global service quality and capacity.

Solutions Made Simple

Consulting Agency

Based in the beautiful Interlake region of Manitoba, Canada, we provide online or onsite, individual or team consultation, facilitation & representation to meet your requirements.

About us

BUSINESS
& FOUNDATION

WHY PROJECT BLUE WORLD?

Why develop a central agency to connect individuals, companies and teams to opportunity?

To showcase excellence and provide access to opportunity.

Introducing Project Blue World Theory of ROI: Income vs Debt Vs Quality of Life

The name "Project 'Blue World'" is based on the '**Blue Zone**' Theory; concept of regions in the world where people achieve longevity and happiness.

Theory of Return of Developing Opportunity Income vs Debt vs Quality of Life
(Using Scale of 1 – 10 to Illustrate Average Person)

- ▶ Manageable Expense / Stable Income.
- ▶ Happy, Healthy, efficient, safe connected people & communities.
- ▶ Network of services for continued growth.
- ▶ Access to opportunities from education and jobs, to housing, healthcare and recreation services.
- ▶ Quality of Life.

VISION, MISSION, VALUES

VISION

A world in which **every human attains happiness**, enhancing and developing self, community and organizational success.

MISSION

We are dedicated to contributing to **sustainable development** through environmental protection, social responsibility and economic progress.

VALUES

- ▶ Safety
- ▶ Quality
- ▶ Respect
- ▶ Growth
- ▶ Honesty
